The quality of the model, the lighting and texture has also improved, and both teams not only have each a new faction, but also new stylized motifs that are longer from the real deal, but still give their own character.. Ritual share of development was dropped, and the development was given to the relatively young Turtle Rock Studios, which can easily be resumed where the Gearbox has stopped.. As such, the entire strength comes from the Counter-Strike multiplayer component; The new parts, the attempts to create a convincing singleplayer experience from this multiplayer game, are very mixed.
